

BRIGHTON PALACE PIER

Data Protection and Privacy

Personal Data

How we process personal information

Personal information sent us via email or contact form

Your data will be kept on our private password protected server. Your details will not be shared with any third party. Your details will be used to allow us to reply to any requests or questions you may have and then deleted.

Data Protection

Brighton Palace Pier abides by the terms of the 1998 Data Protection Act and the European Union's General Data Protection Regulation.

Photographs

By entering onto Brighton Palace Pier you consent to being photographed or filmed and you consent to resulting materials being used for commercial distribution, publication and Brighton Palace Pier communications, without payment or copyright.
